

NHA SOURCES OF STUDY

STATE EXAMINATION

The State exam is currently drawn from the long term care facility regulations & licensure laws, as well as the Board's regulations and law. The current laws and regulations are not available in hard copy, but can be viewed/printed from the below websites:

The pertinent regulations to review are as follows:

- Licensure Regulation Manual (long term care facility laws and regulations) can be downloaded at: <http://health.mo.gov/seniors/nursinghomes/pdf/LicensureRegulationsManual.pdf>
- Board of Nursing Home Administrator laws and regulations – <http://health.mo.gov/bnha/statutesregs.php>

Additional study guides are available from NAB and are listed in the booklet [NHA Information For Candidates Handbook](#) (PDF Format) (or go to www.nabweb.org and click on "Examinations"). The publications can be purchased online at www.nabweb.org under the Publications link.

NOW AVAILABLE! [Register to take Nursing Home Administrator Practice Exam](#) - The NHA Practice exam simulates the actual examination experience. This 75 item exam is constructed from exam items that have been written by NAB item writers. The time allocation and exam specifications mirror the actual licensure exam experience. However, no items on the exam will ever appear on an actual licensure examination. Go to www.nabweb.org and click on "Examinations."
